WHO IS FREEDOM CRUSADES?

FREEDOM CRUSADES IS A GLOBAL REACHING, EVANGELISTIC MINISTRY, LED BY THE FOUNDER AND EVANGELIST JASON CATTELL. THE MINISTRY IS COMPRISED OF EVANGELISTS, PASTORS AND TEACHERS PARTNERING TOGETHER TO BRING REGIONAL, LASTING SPIRITUAL CHANGE. THE ENTIRE GOAL IS THAT JESUS IS EXALTED AND PEOPLE ARE BROUGHT TO A PLACE OF SURRENDER SO THAT HE IS FOREVER THEIR LORD. TO THIS END, FREEDOM CRUSADES CARRIES OUT LARGE SCALE EVANGELISTIC CAMPAIGNS, PASTORS CONFERENCES, LOCAL CHURCH MEETINGS AND STREET EVANGELISM.

OUR EFFORTS ARE FOCUSED TO BRING PEOPLE INTO A PERSONAL ENCOUNTER WITH JESUS AND EQUIP THEM FOR MINISTRY SO THAT ALL BELIEVERS CAN EFFECTIVELY BRING IN THE GREAT HARVEST. SINCE OUR BEGINNING, FREEDOM CRUSADES HAS HELD CRUSADES IN HONDURAS, MEXICO AND SPAIN AS WELL AS SEVERAL OTHER CENTRAL AMERICAN NATIONS. THERE ARE CURRENTLY CRUSADES PENDING AND INVITATIONS FROM MANY OTHER NATIONS WHO ARE INVITING US TO BRING TRANSFORMATION TO THEIR CITIES, REGIONS AND NATIONS. FREEDOM CRUSADES HAS A HEART TO SERVE THE PEOPLE OF EVERY NATION WHERE THE LORD SENDS AND TO BRING FREEDOM, DELIVERANCE, HOPE AND HEALING.

SINCE THE BEGINNING FREEDOM CRUSADES HAS BEEN CALLED TO ASSIST AND EQUIP PASTORS AROUND THE WORLD TO HELP REAP AN END-TIME GLOBAL HARVEST IN THEIR CITIES AND/OR COMMUNITIES. THE ORIGIN OF FREEDOM CRUSADES IS TRACED BACK TO JULY 2015 WHEN JASON CATTELL HAD A LIFE-ALTERING ENCOUNTER WITH THE SPIRIT OF THE LORD IN BUENOS AIRES, ARGENTINA SHORTLY AFTER RECEIVING PRAYER FROM AN APOSTLE AND EVANGELIST IN THAT REGION. THIS WAS THE MOMENT WHEN THE LORD CALLED JASON TO THE NATIONS TO HELP BRING UNITY AND REVIVAL TO THE CHURCH IN WHICHEVER REGIONS THE LORD SENT HIM.

HISTORY OF FREEDOM CRUSADES

To confirm the assignment, the Lord had a group of pastors call and ask for a Crusade in La Ventosa, Mexico (in the state of Oaxaca) a week after returning to the United States. Over 40 pastors from four different pastors' associations received our team into their region. To accomplish this mission Jason began working with the Lord to form a team that would soon become Freedom Crusades.

Over 4,000 people attended the first night and 5,000 the second night. On the way to the crusade field, the churches marched around their city proclaiming their city belonged to Jesus. This was an incredible sight to witness. The crusade was a great success as many accepted Jesus and were healed. The church body had come together to accomplish something bigger than what any one church could accomplish alone. They had achieved unity!

In our initial Crusade meeting in La Ventosa, a pastor from Honduras flew to Mexico at his own expense to see what we were about. His name is Pastor Mario Lozano from Choloma, Honduras. This resulted in an invitation to his city to organize what would become our second Freedom Crusade. We hosted a pastor's luncheon and had over 75 pastors in attendance. At the conclusion of the meeting a pastor, with an interpreter in tow, came to us and said, "We need your help. This is a very bad place." Honduras has one of the highest murder rates in the world. They truly needed our help. We made seven subsequent relationship building trips to Honduras leading up to the Crusade in Choloma in 2017

CHOLOMA CRUSADE 2017

In July 2017, we had 12,000 people in the soccer field for this event. What is very notable is that the Mayor of Choloma provided our location, supplied buses to transport people to and from the event and provided security during the event.

What is an Evangelistic Crusade?

An evangelistic crusade is a regional event where numerous local churches and believers work together to see people from their community touched by the Kingdom message and ministry of Jesus Christ. These crusades vary in size, which is directly related to the desire of local pastors to unite, pray and work together to see their region transformed.

During our crusades signs and wonders follow the Word and multitudes are healed and delivered by the power of the Holy Spirit. After the message and ministry, people are invited to make a decision to receive Jesus Christ as their personal Savior and Lord. In every region, the local churches provide follow up ministry for their community.

His Kingdom Established

Freedom Crusades works hard to produce events that have maximum impact and sustaining regional fruit, wherever the Lord sends us. The four-phase strategy to accomplish this is as follows:

PHASE I: INTRODUCTION

Our initial phase is to plan a meeting with local pastors and key leaders in their cities. Our ministry provides a meal to area pastors followed by a pastor's conference. During the conference we introduce the purpose of Freedom Crusades and cast vision of our partnership with the area leaders. During this first phase visit, we feel it is important to minister in key churches within the region to get a feel for the region and help build relationships between our team and theirs. No crusade of any kind is expected during this first visit. We seek only to build relationships with leadership in the community by fellowship, breaking bread together and ministering in key churches in the community during our initial visit. We expect no offerings when we visit the churches.

PHASE II: PLANNING AND INTERCESSION

Should Holy Spirit allow us to move forward with a crusade in a region, our team will return for a second visit to begin planning the details. We do not seek out large crusades. Instead we seek impactful crusades that will further establish God's kingdom in that region. Our phase two visit consists of: sending a team of intercessors, crusade scheduling, budget discussions, and the formation of a Freedom Crusades Mission Administration that will help divide the responsibilities of the crusade amongst the local pastors and leaders in their region, each specializing in their own areas of expertise.

His Kingdom Established

By the time we have advanced to the second phase, Freedom Crusades is prepared to partner financially with local leadership to help make a Freedom Crusade possible.

PHASE III: ACTIVATION | CRUSADE / KINGDOM ACADEMY

Freedom Crusades brings a team of dedicated believers who have trained for months and feel specifically called to the crusade in that region. Every member of our team raises his/her own funds. Each team is comprised of Spirit led believers who share the Lord's vision of Kingdom.

PHASE IV: GLOBAL ALLIANCE

In Phase IV we begin working with regional leaders to continue the vision for their city, region and nation.

Our vision is BIG, because we believe it is a Last Days vision to fulfill Jesus' prophecy:

"And this gospel of the kingdom will be preached in all the world as a witness to all the nations, and then the end will come." Matt 24:14.

We are pioneering new uses of technology in order to connect pastors and leaders globally. This will help deepen relationships as well as share knowledge in order to create a global Kingdom culture.
